1944 - SHAVUOTH - 5704

The holiday of Shavuoth (Feast of Weeks) will occur this year on Saturday night, May 27th, and Sunday and Monday May 28-29. Its major importance in the history of Israel is the fact that on it the Torah was given to the Hebrew People through Moses at Mount Sinai.

The Festival was marked in ancient Palestine by the "Bikkurim" (first fruits) that were brought from all parts of the Holy Land to the Jerusalem Temple as a token of thanksgiving for the summer harvest. In modern Palestine the "Eikkurim" celebration has become a great agricultural feature annually held in Haifa. For the same reason, the Book of Ruth, which tells the story of loyalty to the Jewish faith against the background of the Palestine harvest, is read on Shavuoth. Another explanation for the reading of this Book is the fact that King David was descended from Ruth, and tradition has it that his Yahrzeit occurs on Shavuoth.

The theme of the harvest, is reflected also in the plant decorations of Synagogue and home, while the thought of the Torah given on this date accounts for the fact that, in accordance with the reference to the Divine Law as "honey and milk", it is customary to eat milk foods--"Blintzes" being a favourite--during the holiday.

In all Ottawa Synagogues Shavuoth Services will be held on Saturday and Sunday nights at sunset, and Sunday and Monday mornings at 8.30. (Saturday Maariv. 8.55 p.m.)

Yizkor (Memorial Service) will be held in all Ottawa Synagogues on Monday morning, May 29.

Rabbi Oscar Z. Fasman will occupy the pulpit at the Congregation Agudath Ach'm Rideau St. the first day of Shavuoth, Sunday morning May 28, discussing the topic: "Each Man's Law". He will speak before Yiskor at the Congregation Adath Jeshurun, King Edward Ave., Monday May 29, on the topic, "Judaism on a Dinghy".

## United Palestine Appeal

YOUTH ALIYAH

RABBI SHULMAN

The 1944 Joint Campaign for U.P.A. and YOUTH ALIYAH will be launched at a Banquet to be held in the Talmud Torah Hall on TUESDAY EVENING, MAY 30th, at 6.30 o'clock. The Guest Speaker will be CHAPLAIN CHARLES E. SHULMAN, U.S.N.R.

One of the distinguished Rabbis in the U.S.A., Chas. E. Shulman gave up his pulpit for the duration, took leave of absence from his Congregation, the influential North Shore Congregation Israel of the suburbs of Chicago, and entered the Navy to serve as Chaplain, some 16 months ago. He has the unique distinction of being the only Jewish Naval Chaplain in the entire Naval District of New England.

Before entering the Navy, Rabbi Shulman was known and recognized for his many writings and addresses on Jewish affairs. He started his educational career in law, receiving his LLB degree from Ohio Northern University. Following this, he continued his studies for the Rabbinate, holding graduate degrees from the University of Chicago, as well as from the Hebrew Union College of Cincinnati. He held pulpits in Johnstown, Pa., and Wheeling, W. Va., before coming to his present position at Glencoe Ill., which he has held with distinction for 12 years before entering the Chaplaincy.

## Memorial for Rev. J. Mirsky

Congregation Adath Jeshurun invites the general public to attend the unveiling of a tablet in memory of the late Rev. J. Mirsky to be held in the Synagogue on Sunday, June 4th, 4.00 P.M.

The memorial stone at the grave of Rev. J. Mirsky will be unveiled on Sunday, June 4th, 11.00 A.M.

At the time of leaving civilian life, Rabbi Shulman was President of the Chicago Rabbinical Association—an organization consisting of over 50 Orthodox, Conservative and Reform Rabbis from all over the Middle Western part of the country. He is a widely travelled lecturer, and the author of two books on Jewish affairs, as well as many articles which have appeared in current periodicals. His books include "The Problems of the Jews in the Contemporary World" and "Europe's Conscience in Decline". The latter work is a study of Jewish life in six European countries immediately prior to the outbreak of World War II.

Rabbi Shulman spent considerable time in Palestine in 1937, and his wide familiarity with every phase of Jewish life has made him not only a welcome speaker whenever he has appeared on the public platform, but, in addition, a tower of strength to the Zionist movement throughout America.

Today, more so than ever, when the cause of Palestine is of such vital and far-reaching importance to our people, a call comes to you—the cry of our persecuted brethren—to assist in the battle towards liberation of Eretz Yisroel. Come to the Talmud Torah next Tuesday, and hear Rabbi Shulman's message.

## SIGNAL HONOUR ACCORDED SAM LEPOFSKY

Word has just been received that the Attorney-General of Ontario has appointed our own Sam Lepofsky as his Department's Official Agent in Ottawa. This appointment comes as an "Award of Merit" for much excellent work performed by Mr. Lepofsky, and our community can feel justifiably proud of one of its favourite sons for this official recognition of a good man and a capable and willing servant to the cause of his people.

## Eloquent Message From England

From "Somewhere in England", Pte. Sammy Koffman addressed an eloquent letter, excerpts of which the Bulletin prints in the conviction that he speaks for men on active service everywhere:

B'Nai Brith Lodge 885,  
Ottawa, Canada.

Sirs:

Thank you for the cigarettes I today received. They bring fond memories of the many friends and acquaintances within your organization. They bring solace and comfort and encouragement to one embroiled in this grim business of war. They bring, so potently, a reminder of our faith, our religion, when in this blacked-out, shell-torn world over here, it is so easy to forget.

Tonight they bring a picture of my dear mother, her shawl-covered head bowed over the traditional candles, uttering through tight lips the prayer heralding another Shabbos. But the prayer in her heart, as in the hearts of all the mothers on this earth tonight, is for us, her sons, scattered about the British Empire in the service of their country. The prayer that we shall remain strong and dauntless, that we shall not falter nor fail and that we shall soon return, unsullied in body, mind or spirit.

And this gift brings a reminder that we too must pray. That we must ask for the strength, the forbearance, the courage, the mother needs today. For it is they, gentlemen, whom war damages most. We, in the habiliment of the King's uniform, stung with vanity and infested with grandeur, glorying in the halo of the warrior, suffer lightly the horrors of war. The torment, the agony, the distress beleaguer most those mothers at home. To them we bequeath the greater portion of your syllabus for the uplift of morale.

We, in the Army, have little occasion for defense against Anti-Semitism. In our huts, our tents, our trenches, the nests of Democracy's fight to preserve civilization, we are eggs of one colour, one faith, one purpose....

Meanwhile, continue, please, the shipment of cigarettes and comfort boxes to the overseas servicemen. These gifts carry great messages. But lend an ear and an eye also to those mothers we left behind. Make it a little easier for these women who wait and pray.

Sincerely,

Pte. SAMMY KOFFMAN,  
Can. Army Overseas.

### THREE WEEKS—NO WEDDINGS!

## Thank The Vaad Ha'Ir

You enjoyed Passover butter and Passover milk during the recent holiday, because the Vaad Ha'Ir went to great expense in order to provide you with them. War shortages in the field of labour and dairy supplies threatened to leave our Community without these important elements in the Passover diet, and only through the efforts of the Vaad Ha'Ir, headed by the Rabbi, was this problem mastered.

Some seventy families in this city, many of them families of men on active service, received their Passover matzos through the Vaad Ha'Ir office, when the local grocers were unable to supply them. It should be of general interest to the community to know that the price of the matzos sold was no higher than the regular market price, and still the Vaad Ha'Ir made a slight profit that will be used for the welfare of general Jewish causes in the city.

## Schreiber Wins Cup

The Hanoar Study and Breakfast Club wound up a banner year of activities, under the direction of Mr. Hy Bessin, with a Father and Son Session on Sunday, April 23rd. The Robert Edelstein Oratorical Cup was won by Marvin Schreiber.

This year the Club was greatly strengthened by the office of an Assistant Director, ably handled by Mr. Yale Greenberg, and by a strong Vaad Ha'Ir Committee under the Chairmanship of Mr. L. S. Greenberg.

## Talmud Torah Branch In West End

After a meeting of open discussion between a committee of the Ottawa Talmud Torah Board and the parents of children in the West End of the city, it was agreed to open a branch of the Talmud Torah in that section on Sept. 1st. The Rabbi was then asked by the Talmud Torah Board to try to find another teacher who would be qualified to conduct the classes there. In view of the increasing number of families in the West End, it is expected that this branch will grow rapidly.

### COUNCIL JEWISH WOMEN HERE.

A Section of the National Council of Jewish Women was recently organized in Ottawa, with a 5-point program of adult education, contemporary Jewish affairs, social welfare, service to foreign born, social legislation.

Monthly parties at the Service Center are proving very successful. Council members conduct the Center registration and letter writing to next-of-kin. The knitting quota of Red Cross sweaters is nearly completed, and a ditty bag is filled each month for a service man. Council also hopes to give a library to the Wrens' barracks at Navan, Ont.

The Section had the pleasure of hearing Senator Cairine Wilson at its first general meeting on April 26th. A program of lectures on international and local topics includes for the near future addresses by Magistrate A. H. Lieff and Miss Dalamore of the WPTB Consumer's Branch.

Groups to be formed are a study group affiliated with the Women's Committee on International Affairs, dramatics and public speaking, social legislation, refugee aid, music appreciation.

Every woman interested should contact the president, Mrs. Norman Loeb.

Excerpt from N.Y. West Side Institutional Review.

## New U.P.A. Chairman

S. ZELIKOVITZ

Friends of the Ottawa Jewish Community:

Most of you know that I am a new man in the U. P. A. chairmanship and only the promise of our veteran campaigner, Mr. Alex Betcherman, that he would assist in every possible way convinced me to accept this great honor.

There was, however, another consideration. Ottawa Jewry does not require an education in the importance of U.P.A. You all know its vital place in the rehabilitation of our stricken people, and you will support it whole-heartedly, no matter how humble the person who heads the campaign.

My appeal to you is for the maximum support to be given in a minimum period of time. The workers for U.P.A. are people who have carried a heavy load in all the main Jewish causes during the past year, and they deserve the kind of co-operation that will make their activity both easy and pleasant. Let us remember, those who come to the Holy Land labor valiantly to bring others in after them, and they must be upheld by our contributions from this side.

May I ask your assistance in giving generously, swiftly, and enthusiastically, so that we may reach our objective in the best Ottawa tradition and thereby hasten the day of Israel's redemption?

S. Zelikovitz, Chairman,

1944 U. P. A. Campaign Chairman.
